The distinctive signs of INTERPOL, including its abbreviations and emblem are protected under Article 6ter of the Paris Convention for the Protection of Industrial Property. The abbreviation “INTERPOL” and the Organization’s emblem are also registered as trademarks and service marks with the European Union Intellectual Property Office. Use and display of the INTERPOL’s emblem is highly restricted and essentially limited to the Organization’s activities. You may not use any trademark, official mark, official emblem, flag or logo of INTERPOL, or any of its other means of promotion or publicity, to represent or imply an association or affiliation with INTERPOL without INTERPOL’s prior written consent.

## INVESTIGATIONS

### Brazil

#### **Brazilian club Flamengo voices support for winger Bruno Henrique amid match-fixing investigation**

A Brazilian soccer club expressed full support for winger Bruno Henrique amid a match-fixing investigation involving suspicious bets predicting his yellow card in a past match, with federal police visiting the club's training ground but not confirming him as a target. Henrique, a key player for Flamengo, will continue playing as usual, while similar sports betting scandals have implicated other Brazilian players recently.

## LEGISLATION

### Uzbekistan

#### **Criminal liability for match fixing introduced in Uzbekistan**

Uzbekistan's President signed amendments to the Criminal Code on November 4, targeting corruption in sports by introducing penalties for athletes, coaches, and organizers involved in bribery or accepting material benefits to influence competition outcomes.

## DOPING

### France

#### **Son of ex-global athletics chief Diack to face new trial**

France's highest court has ordered a re-trial for the son of former IAAF head, who was convicted in 2020 for concealing Russian doping cases in exchange for sponsorship deals. Diack was found guilty of embezzling 15 million euros and enabling Russian athletes to compete despite doping, while World Athletics seeks 41.2 million euros in damages.

### Japan

#### **'Unusually Embarrassing': Track and Field Community Outraged as 26-Year-Old Race Walker Receives Doping Suspension**

Japanese racewalker Koki Ikeda has been provisionally banned from competition due to suspected blood doping, following irregularities in his biological passport, despite his success, including a silver medal in the 2020 Tokyo Olympics. While the investigation is ongoing, social media reactions have been critical, with many fans mocking the sport of racewalking and Ikeda's alleged doping, despite the sport's own challenges and endurance demands.

## GOOD PRACTICES

### Brazil

#### Lottopar and Paraná Football Federation close agreement for sporting integrity

In Brazil, the Paraná State Lotteries (Lottopar) and the Paraná Football Federation (FPF) have signed a cooperation agreement focused on promoting sports integrity and responsible betting practices. The agreement, which includes training and awareness activities for athletes and officials but no financial exchanges, aims to prevent match-fixing and educate on the consequences of regulatory non-compliance.

### Global

#### 3Substitute: the case for the external reform of FIFA

A new report from FairSquare highlights structural flaws within FIFA that have led to severe social harms, including human rights abuses, and prevented the organization from self-regulating effectively. The report calls for external reform, possibly through EU regulation, as FIFA's internal patronage system and lack of transparency have undermined previous reform efforts and enabled ongoing governance failures.
