

Additional contributions, 1 January to 31 December 2024

Additional contributions are extra-budgetary contributions to specific projects that are agreed with external donors in support of and in addition to INTERPOL's regular budget and activities. The table below shows how contributions from donors have been **spent** in 2024, along with the total funding pledged. Note that INTERPOL also benefits from in-kind contributions, for example in the form of the secondment of personnel, equipment or office space, which are included in the figures presented here. *These numbers are unaudited.*
