

Additional funding 2015

The table below shows how contributions from external donors were spent in 2015, along with the total funding pledged and the overall duration of the projects supported. INTERPOL also benefits from in-kind contributions, for example in the form of the secondment of personnel, equipment or office space, which are not included in the figures presented here.

Contributor	Sector	Area supported	Timeframe	Funding spent on projects in 2015 (000s EUR)	Total projects funding (000s) EUR
